

Product Specifications:

Product Name:	PTC hair straightener EMS-7116
Material:	PTC ceramic plates
Weight:	2.65g
Color:	Black
Power:	100W
Quantity:	20pcs/CTN
MOQ:	1-100,000pcs
Lead Time:	10 days for 35 orders
Payment:	T/T, Western Union, Money Order
Certification:	CE, Rohs, cETLus, CCC, CB
Temperature Range:	8500°C
Warranty:	1 year

Product Description: PTC hair straightener EMS-7116:

The EMS-7116 PTC hair straightener is a professional-grade styling tool. It features a 90mm x 25mm ceramic plate with a 5-light digital readout for precise temperature control. The device includes a thumb press for easy operation and a 360-degree swivel cord for flexibility. The plates are coated with ceramic and titanium, providing a smooth glide and long-lasting heat. The cool tip is designed to protect the hair from heat damage. The power ON/OFF switch is conveniently located on the handle. The crimp wave plate is also available, offering versatility in styling. The straightener is made of high-quality materials and is built to last.

EMS-7116 Classical PTC hair straightener

Size of plate: 90mm x 25mm

Heater: PTC/MCH
