

Product Specifications:

Model:	F998BM
Material:	PTC
Power:	60 Watts
Adjustable Temperature:	150°C 230°C stabilized
Color:	Black
Weight:	0.15kg
Length:	185mm
Barrel Diameter:	20pcs/CTN
MOQ:	1-100, 000pcs
Lead Time:	10-35 days
Warranty:	8500 hours
Accessories:	9001

Product Description: F998BM Professional Curling Iron

The F998BM Professional Curling Iron is a high-quality, professional-grade styling tool. It features a long, extra-long barrel for easy handling and a secure grip. The iron is equipped with a digital temperature readout and a 360-degree swivel cord for flexibility. The barrel is made of PTC material, ensuring even heat distribution and long-lasting performance. The iron is available in four different barrel diameters: 19mm, 22mm, 25mm, and 28mm. It is a must-have for any professional hairstylist or beauty enthusiast.
