F601HC Product Description:

PTC Ceramic, 110x32mm, Nano Silver and Tourmaline, 5 Pre-programmed Digital Settings, Power On/Off, Power Ready Light, Rounded plate edges for more styling options.

Product Name: F601HC

The F601HC is a high-quality hair straightener. It features a PTC ceramic heating element and nano silver and tourmaline-infused plates. The device has five pre-programmed digital settings and a power ready light. The rounded plate edges provide more styling options. The product is patented and offers easy styling and straightening.
