### **Instruction for safe use:**

#### **KEEP AWAY FROM WATER**

**DANGER:** As with most electrical appliance, electrical parts are electrically live even when the switch is off.

To reduce the risk of death by electric shock:

Always “unplug it” immediately after using.

Do not use while bathing

Do not place or store appliance where it can fall or be pulled into a tub or sink

Do not place in or drop into water or liquid.

If an appliance falls into water, “unplug it” immediately. Do not reach into the water.
