This document supersedes all previous Authorizations to Mark for the noted Report Number.

This Authorization to Mark is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party other than the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Authorization to Mark. Only the Client is authorized to permit copying or distribution of this Authorization to Mark and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions set out in the agreement and in this Authorization to Mark. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow-up Services are for the purpose of ensuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.

Hi-Pot Tester	100000 hours	✓
Digital Power Meter	100000 hours	✓
Aging Test Machine	100000 hours	✓
Electric Safety Test Machine	100000 hours	✓

We attend Cosmoprof Beauty Shows in Italy, Dubai, Russia, the United States and Hong Kong every year.

Q&A:

1. Q: Are you a factory or trading company?

A: We are the original factory manufacturing hair tools for 16 years.

2. Q: Can I have my own customized product?

A: Yes, you can customize for color, logo, design, package, carton mark, etc. as long as your order quantity is 1000pcs more. That is exactly what we do and what our job is .

3. Q: When can I get the quotation?

A: We will reply you in the first time within 24 hours. If it is an emergency, just call +86 13823651633

4. Q: How can I get a sample to check your quality?

A: Sample fee will be paid by buyer, but it will refund after placing an order with us. It usually takes 7-10days to have the samples ready.

5. Q: Can I make my own brand color?

A: YES. You can tell us the pantone No. or send us color sample chip. We can do any spay shinny effect color or water transfer color or almost any color you want.

6. Q: what about the lead time for mass production?

A: It will take about 45-60days for mass production after deposit received and all the details confirmed.

7. Q: How does your factory do regarding quality control in work?

A: Quality is priority! Every worker keeps the quality control process from the very beginning to the very end:

- 1) All raw materials we used are environmental-friendly and certificated regulated.
- 2) Skilled and experienced workers care every detail in handling the producing and packing process.
- 3) Quality Control Department is specially responsible for quality checking in each process.
