How to use:

Follow these hair tips to learn how to curl hair into perfect curls every time you style.

- 1, First you need to decide what width you need. the type of curl you want will determine the curling tongs you use;
- 2, Plug in your curling irons, and press the “on” button to the desired heating settings;
- 3, Start with the top layer of hair on the back of your head
- 4, Apply the tongs to your hair,hold for 10 to 20 seconds,
- 5, Open clamp, pull curling tongs down and away from the hair;
- 5, Unwind your hair from the tongs gently;
6. Then spray your hair after finish
