### How to use it:

F178C is a kind of narrow plate hair straightener with projecting pattern effect, and there have 3 kinds of plate for optional, we can use it to make curl hair and straight hair.

1st: make sure you have clear and blow dry your hair, because this is the product suit dry hair only.

2nd: chose a small section of your hair, clip it from roots.

3rd: make your way from roots to tip down slowly, and don't stop any spots in your hair in case the high temperature damage your hair.

4th: if the straight hair doesn't come, you could try to clip smaller section or setting up the temperature or make your way down more slowly.
