How to use the straightener to create waves:

1. Start with clean, dry hair. Apply a heat protectant product. 2. Section the hair into small, manageable pieces. 3. Clamp the flat iron near the roots and twist the iron under the hair. 4. Move the iron down the hair shaft, twisting it in the opposite direction. 5. Repeat the wave pattern. 6. Move quickly to avoid dents. 7. Finish with a light mist of hairspray.
