We attend Cosmoprof Beauty Shows in Italy, Dubai, Russia, the United States and Hong Kong every year: this is Jacky in the show. You must be familiar with his face

and know how nice and responsible he is as a business man if you going to any of the Cosmoprof Beauty Show.:)

Q&A:

1. Q: Are you a factory or trading company?

A: We are the original factory for hair tools including hair flat iron, curling iron, hair dryer, hot air brush for 16 years.

2. Q: Can I have my own customized product?

A: Yes, you can customize for color, logo, design, package, carton mark, etc. as long as your order quantity is 1000pcs or more. That is exactly what we do and what our job is .

3. Q: How and when can I get the price for the product I am interested in?

A: We will reply you in the first time within 24 hours. If it is an emergency, just call +86 13823651633

4. Q: How can I get a sample to check the quality and everything?

A: Sample fee will be paid by the buyer, but it will be refunded after placing an order with us. It usually takes 7-10days to have the samples ready.

5. Q: Can I make my own brand color?

A: YES. You can tell us the pantone No. or send us color sample chip. We can do any spay shinny effect color or water transfer color or almost any color you want.

6. Q: what about the lead time for mass production?

A: It will take about 45-60days for mass production after deposit received and all the

details confirmed.

7. Q: How does your factory do regarding quality control in work?

A: Quality is priority! Every worker keeps the quality control process in mind from the very beginning to the very end:

- 1) All the raw materials we are using are environmental-friendly and certificate regulated.
- 2) Skilled and experienced workers care every detail when handling the producing and packing process.
- 3) Quality Control Department is responsible for quality checking in each process.
